

FlyTiming Brand Identity Package

Brand Concept

FlyTiming represents speed, precision, and modern track & field performance. The logo combines an aerodynamic FT symbol with clean typography to communicate accurate timing technology and elite competition.

Logo System

Primary Logo: FT mark with FlyTiming wordmark.

Secondary Logo: Standalone FT icon for equipment, apparel, social media, and favicon use.

Wordmark: Minimal FlyTiming lettering for horizontal applications.

Brand Personality

- Precise
- Fast
- Professional
- Modern
- Athlete-focused

Color Direction

Primary palette:

- Carbon Black — technology, precision, professionalism
- White — clarity and simplicity
- Optional Electric Blue Accent — speed and innovation

Typography Direction

Use a modern geometric sans-serif font family with clean spacing. Recommended style: uppercase lettering, generous tracking, and minimal visual clutter.

Applications

The identity is designed for:

- Timing displays
- Race bibs
- Apparel
- Social media graphics
- Website branding
- Event signage

Future Brand Extensions
